Manual. 830LE Sewing Machine pdf manual download. Also for: 830. Classic Bernina Comparison Charts Presser Feet . Cloud Nine Sewing, Inc. 2007 Used with Permission and with our Appreciation. These charts and text are copies of the originals that were displayed on the Internet a long while ago. I've had my eyes out for a Bernina Nova for several years now! These are not very common machines -- not very many were sold and they weren't on the market for a very long time (made between 1982 and 1985), so the supply is fairly limited.
