Tiffany Lace Baby Blanket - This blanket is designed to coordinate with the tiffany lace hat of my Two Lace Baby Hats pattern. The blanket is knitted in the round, working from the outside in.. Afghans Baby Knitted My PatternsI was SO happy to find this pattern. I made the first one, using local alpaca and Noro Kureyon, as soon as I downloaded the pattern, it's very well written, easy to understand and it's REVERSIBLE!Then I still had some of the same yarn left... so I made another one...Gauge (or tension) is not really important for this pattern. Although if you work in a slightly tighter gauge than normal for this project the links of your chain will hold their shape better :-).After making a little hat and scarf that called for this technique, I made a little blanket like this a few years ago for some friends of mine who were adopting their second baby boy. I used a cornflower blue yarn, an aqua and a cream. It looked gorgeous and the texture was so ropey and fun. I imagine any baby would love to stick his or her fingers through it.
