Garrett County – McHenry Maryland. 1550 Deep Creek Drive, Unit G ~ McHenry, MD 21541 The V933 is an upgraded version of the The V922 RC helicopter. The main difference is the 13g weight difference and the size. Just like the V922 the V933 may be small but it is a fully featured 6 channel helicopter crammed with the latest technology including collective pitch for increased lift, flybarless rotor head for more efficient and smooth flight and a 3 axis gyro system that keeps the ...
