View and Download Stryker 721 maintenance manual online. Transport Stretcher. 721 Medical Equipment pdf manual download. The Stryker Transport Stretcher is a basic multi-purpose hydraulic stretcher ideal for general purpose procedures, transport, and recovery. It features fifth wheel mobility for easier traction and cornering. Additionally, brakes on all four casters lock both swivel and rotation for superior security. View and Download Stryker 1068 maintenance manual online. Head/Neck Surgery Stretcher. 1068 Medical Equipment pdf manual download. An ambulance is a vehicle which can transport medical patients to treatment, and in some instances will also provide out-of-hospital medical care to the patient.. Ambulances are used to respond to medical emergencies by the emergency medical services. For this purpose, they are generally equipped with flashing warning lights and sirens. They can rapidly transport paramedics and other responders ...
