Dr. McCormick is the Gallen Professor of Neurological Surgery at Columbia University College of Physicians and Surgeons. He is also the Director of The Spine Hospital at The Neurological Institute of New York and an attending physician at NewYork-Presbyterian/Columbia University Irving Medical Center. His clinical and research interests focus exclusively on the evaluation, surgical management ... The University of Central Florida, or UCF, is a state university in Orlando, Florida. It has more students enrolled on campus than any other U.S. college or university. Founded in 1963 by the Florida Legislature, UCF opened in 1968 as Florida Technological University, with the mission of providing personnel to support the growing U.S. space program at the Kennedy Space Center and Cape ... The Cadaver Tomb of René of Chalon is a Gothic funerary monument in the church of Saint-Étienne at Bar-le-Duc in northeastern France. It consists of an altarpiece and a limestone statue of a putrefied and skinless corpse which stands upright; its left arm is raised as if gesturing towards heaven.
